

Never Thinking About Her

Written by: Steve Smith (Kermit Stephen Smith) & Elwood Tom Simpson, Jr.

Rolling down this highway, never thinking about her

Never thinking about her, all the time

I just had to do it my way, now I'm living without her

I lost a sweet thing, it took so long to find

That woman's heart I couldn't find

Like this endless highway line

It'll lead you on, just as soon as leave you behind

(And so I'm)

Rolling down this highway, never thinking about her

Never thinking about her, all the time

Tomorrow's a new day, and I'll face it without her

As long as I've got left, just one ounce of pride

Doot, do ,do, do ,do do do do'n do'n do do pah pah pah da da daht da pah da dan't

That woman's heart I couldn't find

Like this endless highway line

It'll lead you on, just as soon as leave you behind

(And so I'm)

Rolling down this highway, never thinking about her

Never thinking about her, all the time

My heart says that I love her, my pride says I just can't

So I never send her letters, just the money for the rent

(And I go)

Rolling down this highway, never thinking about her

Never thinking about her, all the time

As I roll on down this line, on down this line

Going on down this line, all the time
